

Cheesequake Bulletin

OCTOBER 2026

Dear Fellow Villagers:

For the pumpkin lovers out there, this is your time of year. All things pumpkin are heading your way.

It was disappointing to have to cancel the "End of Summer" Party but with the storm reports there were no other options. I want to thank everyone involved with the pool. This season ran so smoothly thanks to Ken Rigatti. He devoted his summer to making sure everyone enjoyed the pool. Pete and the Monitors (Mary Ellen, Terri, Patty, LouAnn) did a great job.

The semi-annual Flea Market will be on Saturday, October 3 beginning at 9:00 AM so everyone will still have the opportunity to get out and see everyone.

Also, the Halloween Party will be on Saturday, October 31 beginning at 7:00 PM. There will be a DJ and the cost is \$10. Bring your own food and drink.

We all know that parking is an issue. Please inform visitors that they must park in a 'V' spot. We have had complaints regarding individuals hosting company and they park in any open space.

Please remember that if you receive a call from Cheesequake Village, please listen to the message. Do not call the office and ask about the reason for the call.

With Fall getting closer, Maintenance will begin the gutter cleaning process as soon as the leaves really begin to fall. This process takes time to reach everyone. Therefore, we ask that you be patient and know that your gutters will be cleaned.

#2 WORD JUMBLE

B N R I O B

Answer on "Keys in the Office" page

HIGHLIGHTS OF THE SEPTEMBER 17, 2026 CVA MEETING

Trustee James Nolan, Regulatory & Compliance:

Jim welcomed all to the meeting and was the moderator. A salute to the flag was conducted including a moment of silence for the sick, suffering, essential workers, and those serving in the Military. The next open CVA meeting is Thursday, October 15. The minutes of the last meeting were read and accepted. Due to Maureen's absence, Jim handled the meeting. A brief overview of topics reviewed in the last Board meeting was presented. Topics included the Haven/Gordon Road project, kids speeding in the Village on motorized skateboards, completion of the major project of concrete, landscaping, and proposals for snow removal. Be aware of scams constantly looking for ways to fool individuals into sending money or signing contracts for unwanted services.

Pres. Maureen Doloughty: Absent

VP Ken Rigatti: September 26 will be the date for the "End of Summer" party. BYOB – BBQ – dessert – DJ. The Halloween party will be held in the Ballroom on Saturday, October 31. The storm sewer project is complete. The ground has been back-graded, and tree stumps ground down. However, all the wood shavings are still there. Top soil and seeding will be done along with planting of trees to replace what were removed. Due to negligence of people using the barbeque utensils, it will be necessary for each person using the grill to provide their own.

Treasurer Patricia Smith: Treasurer's report for July and August was presented. They were accepted as read. A reminder: ensure your maintenance fee is paid on time otherwise a \$25. late fee will be enacted on payments received after the 15th of the month. Fill out your checks legibly since the bank scanner is rejecting those with numbers and words that cannot be deciphered.

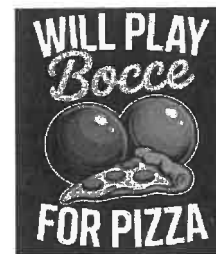

Trustee Kevin Garcia: Kevin welcomed all new occupants to the Village. The Flea Market will be held on Saturday, October 3. Congratulations to the winners of the Bocce Tournament.

Trustee Rich Kubian: We have received 3 proposals for tree trimming and snow removal. A decision will be made shortly. The dump truck

required six new tires. The concrete project is complete. Please have patience when submitting work orders as we only have two overworked maintenance staff members. Be sure to occasionally check your utility room for any issues which may arise.

Trustee Jeff Pantalas: Home, Health and Beauty vendors will be in the Ballroom on Thursday, September 24. Please come out and support these vendors. Food and snacks will be available. We are anticipating 8-10 vendors presenting their specialties. Continuing to search for new advertisers for the CVA Bulletin.

A question-and-answer period followed the presentations including: information regarding FHA/Fannie Mae mortgages, upgrading electric in units, and scheduling of tree trimming.

EDIBLE MUSHROOMS

Edible mushrooms have become a culinary staple in recipes for breakfast, lunch, and dinner. The fungi's versatility doesn't disappoint those who love to cook. Conjuring up new recipes for enhancing standard classics with edible mushrooms can produce some truly savory dishes.

These mushrooms are packed with vitamins and minerals and counted in with all the rest who think they're delicious any way they're served.

**Footsteps in History by
CVA Trustee James Nolan
Episode 35 – October 2026 –
Lucy Burns - Women's Rights Advocate**

On June 22, 1917, Lucy Burns stood outside the White House holding a banner. It didn't demand anything radical, nor did it threaten anyone. It simply quoted President Woodrow Wilson himself: "We shall fight for the things which we have always carried nearest our hearts, for democracy, and for the right of those who submit to authority to have a voice

in their own governments." Lucy and her fellow suffragist Alice Paul founded the National Woman's Party and organized the "Silent Sentinels," women who stood outside the White House in silent protest, six days a week, rain, or shine, holding banners demanding voting rights. For two and a half years, they stood there. Silent. Peaceful. Relentless. Then the police arrested them.

On November 14, 1917, Lucy arrived at Occoquan Workhouse with thirty-two other suffrage prisoners. The Workhouse superintendent, W.H. Whittaker, ordered the guards to brutalize the women. Lucy was brutally tortured. Amongst other things, they chained her wrists to the cell bars above her head and left her there, all night, with her arms stretched overhead, unable to sit, unable to rest, blood circulation cut off, pain radiating through her shoulders.

During January 1918, President Wilson suddenly declared that women's suffrage was urgently needed as a "war measure." He asked Congress to pass it immediately. Two years later, in August 1920, the 19th Amendment was ratified. At this point Burns was completely exhausted and quoted as saying "I don't want to do anything more. I think we have done all this for women, and we have sacrificed everything we possessed for them, and now let them fight for it now. I am not going to fight anymore." After the women of the United States gained the right to vote, Burns retired from political life and devoted herself to the Catholic Church and her orphaned niece. She died on December 22, 1966, aged eighty-seven, in Brooklyn, New York.

Of note here, whether you choose to vote, or not to vote, remember Lucy Burns, who was tortured so you could have that choice.

FROM THE BOARD

SEWER BACKUP PROBLEMS

If you experience a toilet backup in your unit, Cheesequake Village Association policy requires that you **contact the office first**—or use the emergency number after hours:

(732) 425-2011.

Our Maintenance Staff is available full-time, with someone on call 24/7. A staff member will attempt to clear the blockage. If it's found in the main sewer line, the staff will call a company like A-General to resolve the issue, and the Association will cover the cost. **However, if you hire a plumber before giving the Association a chance to address the problem, you will be responsible for the bill.**

This procedure applies only to toilet backups, not to kitchen sinks or washing machines. Only toilet paper should be flushed; do **not** flush grease, wipes of any kind, rags, paper towels, tissues, or diapers. If any of these items are traced back to your unit, you will be held liable for repair costs.

Do not use baking soda and vinegar in your drains, as they can form clogs similar to those caused by powdered detergents. Instead, use products like ZEP or PEQUA, which are available at Home Depot.

DO NOT FLUSH:

- WIPES
- PLASTIC BAGS
- ADULT DIAPERS
- PAPER TOWELS
- TISSUES
- RAGS
- DOG FECES

**SAVE TIME & MONEY
PURCHASE A PLUNGER**

REMINDERS

SELLING YOUR UNIT: If you are selling your unit, it is **mandatory** that you contact the office to inform us of the sale. There is paperwork that needs to be completed and the unit's files in the office need to be updated.

ALTERATION FORMS: It is imperative that Alteration forms be submitted to the Office for any renovations to the unit. We are required to keep updated records on all units in the Village. Alteration forms will **NOT** be accepted for electrical or plumbing projects without a copy of the electrician's or plumber's valid license and insurance attached.

PARKING PERMIT STICKERS: Every car parked in the Village **MUST** have a parking sticker. Bring your car to the Office with your license and registration. This is mandatory. If you receive a letter about getting a permit, you must reply within 10 days, or you will be fined.

DOGS ON EXTENDED LEASHES: Please be mindful of other people when using extended leashes for your dogs or cats. Your neighbors can easily trip on them. Better yet, try not using them at all because Old Bridge rule allows for only 6-foot-long leashes!!

DOG & CAT OWNERS: Dog droppings are still an issue. By law, you must pick up after your pet. If you are observed not picking up after your pet, you will be fined. Please do not walk your pet behind or on the side of other units since you are intruding on the privacy of other residents. **PICK UP AFTER YOUR PET—IT'S THE LAW -- DON'T DISPOSE OF THE BAG IN THE SEWER OR SOMEONE'S TRASH BIN**

VISITING CHILDREN: Children are not allowed to play in the streets. No bikes or skateboards allowed. Visiting children should be respectful and not disturb neighbors living in the vicinity.

WILD ANIMALS: Bird feeders or feeding any unlicensed animals are strictly PROHIBITED because you are inviting other animals such as raccoons and skunks to make their home in our Village, too. Do not leave food on the ground behind your units for any animals.

WORK ORDER REQUEST

Please be patient after making a work order request to the Office. Our Maintenance Staff takes care of emergencies first and all other work is done in a timely manner.

COMPLAINTS & GRIEVANCES: If you have a complaint or problem with your unit, you must call the Office. If you have a grievance, please submit it in writing to the Office, attention Grievance Committee. It must include your name and address, or it will not be considered for action. Or you can email Maureen Doloughty at Maureen13Hawaii@yahoo.com

CHANGES IN UNITS: As equipment has been changed (Ex: Furnaces, air conditioners, windows), new situations have arisen. When contractors add or change equipment, be advised that these changes created by your contractor are your responsibility and must be maintained by you and be added to your insurance policy. You must apply for an alteration permit from the CVA and from Old Bridge Township before making changes to your unit. Failure to do so will generate a fine.

STREETLIGHT & POWER OUTAGES:

Call JCP&L at **1-888-544-4877** to report the outage with the street name and the cross street. DO NOT CALL THE OFFICE FOR POWER OUTAGES.

KEYS IN THE OFFICE!

It is important to keep a set of your house keys or your security keypad code at the office in case of an emergency where entry into your unit is necessary. The keys are kept in a secure file cabinet in the office. If entry is needed, only a Board Member and a Maintenance member would enter.

FALL DOWN LAUGHING

Autumn is a great time to get together. At those parties, it is not a bad idea to come with a few seasonal jokes in your pocket. Try some of these and see how they land.

What did one autumn leaf say to another?

- I'm falling for you!!

Why was the scarecrow promoted?

- Because he was outstanding in his field!

What's the best thing to put into a pumpkin pie?

- Your teeth!!!!

Why do summer and autumn never get along?

- Because they always have a heated argument!!

Why do you get when you drop a pumpkin?

- Squash!!

How do you fix a broken pumpkin?

- With a pumpkin patch!!
