For the Tishrei season, the library will be focusing on loans and returns.

This means that while our doors will remain open, our couches and comfortable hangout space will be packed away.

Want to avoid the Erev Shabbos and Yom Tov rush? You can use our new online reservation option to choose your books and a librarian will have them ready for you the next day. During busy hours, we will even have a separate express line for those with reservations.

<https://leviyitzchoklibrary.com/reserve>

We will be sending reminders of closings and extra evening hours on whatsapp. sign up by sending the message "library updates" to 718-778-4598

ELUL 5780 / TISHREI 5781
