First day of Summer Day Camp: July 1, 2019

DSHS and CCAP childcare subsidies accepted.

Free lunch provided courtesy of Human Service's Summer Meal Program.

WEEK 1: FUN AND FITNESS

7/1 - 7/5 (Closed 4th of July)

The children will experience a variety of exciting indoor and outdoor activities designed to get their hearts active. Outdoor sports such as tennis, baseball, and football supplemented with obstacle courses and the Brazilian martial art, Capoeira. The children will also attend Kid's Day and cheer on the Seattle Storm at UW's Alaska Airlines Arena. We will utilize the school's gym where the kids can play basketball, hockey, volleyball, soccer, as well as rock wall climbing.

WEEK 2: UNDER THE SEA

7/8 - 7/12

Come explore the wonders of marine-life and habitats under the sea. These lucky campers will have the opportunity to get out of the hot sun and into the cool waters of Rainier Beach Community Center's swimming pool and enjoy the exploration of our Pacific Ocean friends at the Seattle Aquarium. **Shoes that can get wet (no flip flops) are recommended.**

WEEK 3: SCIENTIST'S WORKSHOP

7/15 - 7/19

We encourage the children this week to ask why and how things work and will offer many opportunities for them to take items apart to get a better understanding of the inner-workings of machines. These fun projects will be capped-off with a field trip to the Pacific Science Center as well as an on-site visit from a "mad" environmental scientist.

WEEK 4: OUTDOOR EXPLORERS

7/22 - 7/26

This week, the children will become outdoor explorers and will be encouraged to observe the habitats and ecosystems of Seward Park. Additionally, there will also be a field trip to Bremerton's Harborside Fountain Park via ferry. The children will work together, and study their outdoor surroundings to complete a week-long scavenger hunt as well as embark on multiple nature walks throughout the forests of Dearborn Park. **Bring comfy walking shoes.**

WEEK 5: DIGITAL MUSIC & PHOTOGRAPHY

7/29 - 8/2

The children will delve into the world of technology and some of the processes used to create digital music. With the assistance of local South Seattle station, Rainier Avenue Radio, the children will work together to design a song from the ground up with digital instruments. They also will have the opportunity to document this process with photos and videos using SLR and digital cameras. The week will be topped off with an exciting visit to MOPOP and an opportunity to see the Blue Angels!

WEEK 6: ARTSY ANTICS

8/5 - 8/9

Children will have many opportunities to work with a plethora of art materials. Complete with an on-site visit from a South-Seattle artist, activities will be guided and independent so that the children can engage with materials. Activities like canvas-work, acrylic-painting, and many more will be available and the week will include an intriguing visit to the Seattle Art Museum Wednesday.

WEEK 7: ANIMAL PLANET

8/12 - 8/16

This week is all about the marvels of the animal kingdom. The children will have the opportunity to build bird feeders, face paint, and have a chance to encounter animals on-site and learn their lineage to dinosaurs. There will also be a visit to Jefferson Park and the opportunity to play in their "spray" area. **A change of clothes is recommended for water play.**

WEEK 8: LITTLE AVIATORS

8/19 - 8/23

A marvelous summer camp will come to a close with a deep-dive into the wonders of the cosmos. The children will explore all things that can fly and have the chance to build kites, parachutes, paper airplanes, and a solar system. The children will also visit the Museum of Flight where they will learn both about airplanes, and NASA grade spacecraft. We will conclude our wonderful summer camp with a visit from a magician and a yummy S'mores-making session.
