Fundraising Information

Fundraising opportunities will be available throughout the season to help offset the cost of competitions and other team expenses. While participation in fundraising is not mandatory, we highly encourage it. Please note that in order for any funds raised at group fundraising events to be credited to a dancer's account, both the dancer and a parent/guardian must be present and actively participate. All fundraising proceeds will be applied to competition fees first, in the order competitions occur on the calendar. Each dancer's fundraising balance and application of funds will be tracked and viewable on their individual Competition Google Sheet.
