Linear 661 *Smart Garage Door Opener*

Backed by over 60 years of pioneering experience. The Nice Linear 661 Garage Door Opener marks the first in a series of smart, Nice openers that combine sleek industrial design at an incredible value. With features such as Wi-Fi™ and smartphone connectivity, pre-installed battery and Nice G.O. app compatibility, the 661 is an evolution of the Linear brand and innovation from Nice that creates a smart, convenient, and value-driven choice.

BENEFITS

- Feature-rich, plus value:
LED lighting, pre-installed battery, pre-programmed limits
- Wi-Fi connected wall station with status indicator
- Efficient design for reduced installation time
- Self diagnostic system means fewer service calls

New! Nice G.O. App

Easy to use, customer friendly

Nice G.O. Mobile App Features:

- Real-time notifications and control of garage door from any mobile device
- Invite guests and allow custom access and permissions for up to 10 authorized users
- Schedule operations and timers for doors and lights

Operates residential sectional doors up to 8 ft tall & 350 lbs

*Includes
Wi-Fi

Wall Station*

Linear 661 Smart Garage Door Opener

Welcome to the New Generation of Smart and Simple.

Turn any garage into a **smart garage** with the Nice Linear 661 and its pairing with the Nice G.O. app, where homeowners can have convenience and peace of mind at their fingertips.

FEATURES

Wi-Fi and Bluetooth Connected Wall Station

Provides auto firmware updates over cloud and simplified pairing with Bluetooth, leading to fewer service requirements.

Integrated Battery

Compliant with CA SB-969 regulations. Reduce installation time with pre-wired and installed battery. Provides confidence to home owners that operation will continue during power outages. *(Duration of operation varies based on door weight and frequency of use over 3-day period).*

Energy Efficient LED Lighting

Reduce services calls with integrated, energy efficient and environmentally friendly LED lighting.

Interchangeable Chain/Belt Drive System

Offering both chain and belt drive options allows for flexibility in installation.

Easy Door Release

Release the opener's quick-disconnect trolley to open or close the garage door manually.

Self Diagnostic System

Provides real-time alerts and homeowner updates through courtesy lights and sounds, ensuring faster troubleshooting for continued operation.
