Tenant of the Month

As a way to show appreciation to our tenants, Nixon Holdings would like to start a “Tenant of the Month” program. This program would consist of one of our tenants being chosen as Tenant of the Month and receiving a gift card. In addition, the tenant would be featured in the monthly newsletter.

We would like your feedback on this program. Please email Brooke at brooke@nixonholdingsllc.com with your thoughts, questions, or concerns regarding the “Tenant of the Month” program!

Local Happenings

Now that restaurants and bars are open, be sure to support some local businesses! There are many great options in the Oxford and Lake Orion area.

You also may have heard that Brett Nixon, owner of Nixon Holdings LLC, is in the process of renovating 6 N. Washington St. in Downtown Oxford, long-time home to the A&A Flower Shop. The building has so much character with the original exposed brick walls and industrial ceilings. When complete, the building will house a 2,000 square foot retail space and two luxury lofts. Follow our Facebook page to stay updated!

Website and Facebook Page

We are excited to announce the debut of our Website and Facebook page! Our website contains information about the company, available rentals, past renovation projects, and tenant perks! Visit <https://nixonholdingsllc.com/> to check it out.

Our Facebook page is also up and running. Give us a like @NixonHoldingsLLC and share our posts!
