Dear Community Friends,

We are excited to announce that preparations are underway for this year's Back-to-School Outreach Event — and we're aiming to make it the best one yet!

This marks the 15th year that *Be A Hero to Our Heroes, Inc.* (a non-profit 501(c)(3) organization), in collaboration with the *F.R.E.S.H. (Fully Refreshing and Empowering Students Holistically) Wakulla County Back-to-School Outreach Ministry*, has proudly served the students and families of Wakulla County. Our goal remains the same: to ensure every student returns to school equipped with essential supplies, encouragement, and support.

Thanks to the incredible generosity of our community, we've served over 1,000 students each year for the past seven years — and with your continued support, we hope to reach even more this year!

The mission of the F.R.E.S.H. Back-to-School Outreach Ministry is to provide a welcoming space where parents, students, and community members can connect with ministries, programs, and services that support educational and personal growth. We strive to uplift and empower the whole student — spiritually, mentally, emotionally, and physically — to ensure a strong and successful school year.
