

# WAKULLA COUNTY COALITION FOR YOUTH (WCCY)

## SPONSORSHIP OPPORTUNITIES 2026

Reflecting on the incredible journey and impact of the Wakulla County Coalition for Youth (WCCY) within our community since its inception in 2007. For many of us, WCCY holds a special place in our hearts, and for good reasons.

WCCY has been a steadfast force in our community, dedicated to helping our youth make healthy, positive choices. We all know how early alcohol use can significantly increase the risk of substance dependence later in life. That is why WCCY's efforts are so crucial. Our journey began with a simple yet powerful goal: *to bring together community partners, share resources, and exchange information to support the growth and well-being of Wakulla's amazing young people.*

Today, we are proud to have representation from 12 partner sectors, all working together to keep our mission alive and thriving. WCCY has consistently tackled issues like youth substance use with unwavering commitment to everyone's well-being. Their presence is felt at local events such as festivals and parades, always focusing on supporting families.

WCCY's work with the Tobacco Free Partnership grant under the Tobacco Free Florida program has made a substantial difference in our community. Their efforts have helped protect us from tobacco-related problems and promoted a healthier lifestyle. Thanks to grants, WCCY member partners launched the Students Working Against Tobacco (SWAT) group, which has been instrumental in rallying the community around advocacy and education for a tobacco-free environment.

In addition, the Drug-Free Communities (DFC) grant has significantly expanded WCCY's reach and impact. DFC support has strengthened our ability to equip youth and parents with the tools, education, and resources needed to live healthy, substance-free lives; particularly around preventing alcohol and marijuana use. Just as important, the DFC grant emphasizes long-term sustainability of the coalition, ensuring that prevention efforts continue well into the future.

We are excited to announce that WCCY is hosting Champions for Change Brunch on 05/02/2026. This event will be a Volunteer Recognition & Fundraising event, and we would love for you to be a part of this special event. This event directly supports our goals by honoring the individuals who make this work possible while helping secure the resources needed to sustain and grow WCCY's prevention initiatives across Wakulla County. We are reaching out to local businesses, organizations, and community partners to invite you to support this event through sponsorship.

Sponsoring our brunch provides a fantastic opportunity for your organization to gain valuable visibility within the community. More importantly, it showcases your commitment to youth, leadership, and community service. Your support will not only help us recognize the incredible efforts of our volunteers but also contribute to the ongoing success of our programs.

As we continue our journey together, let's take a moment to celebrate the remarkable achievements of Wakulla County Coalition for Youth (WCCY) and look forward to many more years of making a positive difference in the lives of Wakulla's youth. Your support and partnership are crucial in helping us achieve our shared goals and making a lasting impact on the community.
