Banana Shire Emergency Accommodation and Support Centre (BSSC) Strategic Plan 2026—2029

To be the most trusted provider of services to our clients.

Banana Shire Support Centre enables clients to make informed life choices to meet identified needs through quality intervention, by supplying assistance, education, relief or support to persons in distress.

We are:

- Professional and proactive
- Respectful of our clients and each other
- Inclusive
- Trustworthy

We:

We have received a grant from CSEnergy to assist us with running costs for six months. This will be of great help as we assess the demand for and costs associated with providing this service to our clients.
