With your support, Camp Nawakwa and partner youth organizations will provide kids with the opportunity to connect with each other, increase appreciation for the environment, disconnect from technology, and build their leadership skills. With your support, Our Nawakwa will build and provide a safe, challenging, youth centered environment for kids to grow.

OUR NAWAKWA would like to **THANK YOU**. Your support will help many future generations of youth connect with the outdoors at Camp Nawakwa’s unique and memorable property. A DONOR TREE will be constructed to acknowledge the significant contributions of our donors. A local artist has created this visual rendition of what that donor tree will look like. Naming Opportunities are available in a variety of spaces around camp. Names will be guaranteed for 25 years. Donors and supporting organizations may have customized recognition based on their commitment to Camp Nawakwa. Please contact a committee member to discuss these options.
