# Ask me Anything- Onboarding screens

Current paywall.

The screenshot shows a mobile app interface for a paywall. At the top, the status bar shows the time 3:20, signal strength, 5G connectivity, and 67% battery. Below the status bar, there is a navigation arrow and the text 'App Store'. The main heading is 'Say hello to your Personal AI' with a red 'X' icon in the top right corner. Below the heading, there is a sub-heading 'Improve productivity And achieve your goals in no time'. A list of three benefits follows: 'Unlimited Answers', 'Writes long-form content', and 'Faster and more accurate', each preceded by a red checkmark. Three subscription options are listed in rounded rectangular boxes, each with a red radio button: 1) 'Yearly - ~~95.88~~ \$49.99' with a green '70% OFF' badge and an 'Early adapter discount' badge; 2) '3-DAY FREE TRIAL then \$3.99/week'; 3) 'Monthly - \$7.99'. A large red button with white text 'Start Free Trial' and a white arrow points to the right. Below the button, it says '70% OFF for the first 10.000 users'. A 'Note:' section explains that the 1-year subscription is an auto-renewal plan and payment will be charged to the user's Apple ID account on the last day of the current billing period after the trial ends. It also states that auto-renew may be turned off at any time by going to the user's settings in the app store after purchase. Finally, it notes that users can manage and cancel their subscriptions by going to their account settings on the App Store after purchase.

## How to share results, app, copy and mute responses

The image shows a mobile app interface with a list of instructions in red text. The interface includes a status bar at the top with the time 10:33, signal strength, Wi-Fi, and a 20% battery icon. A back arrow is in the top left. A share icon (a square with an upward arrow) is circled in red and has a blue callout box pointing to it that says "Share App with friends via text, email,". A mute icon (a speaker with a slash) is also circled in red and has a blue callout box pointing to it that says "Mute Responses". At the bottom of the text area, there are icons for copying text (two overlapping rectangles) and sharing (a square with a right-pointing arrow). A blue callout box labeled "Copy text" points to the copy icon, and another blue callout box labeled "Share result" points to the share icon. At the bottom of the screen, there is a text input field with the placeholder "Ask me anything ..." and a microphone icon to its right.

Share App with friends via text, email,

Mute Responses

2. In a large mixing bowl, whisk together the flour, sugar, cocoa powder, baking powder, baking soda, and salt.

3. Add the milk, vegetable oil, eggs, and vanilla extract to the dry ingredients. Beat with an electric mixer on medium speed for 2 minutes.

4. Stir in the boiling water until the batter is smooth. The batter will be thin, but that's okay.

5. Pour the batter evenly into the prepared cake pans.

6. Bake for 30-35 minutes, or until a toothpick inserted into the center of the cake comes out clean.

7. Let the cakes cool in the pans for 10 minutes, then remove them from the pans and place them on a wire rack to cool completely.

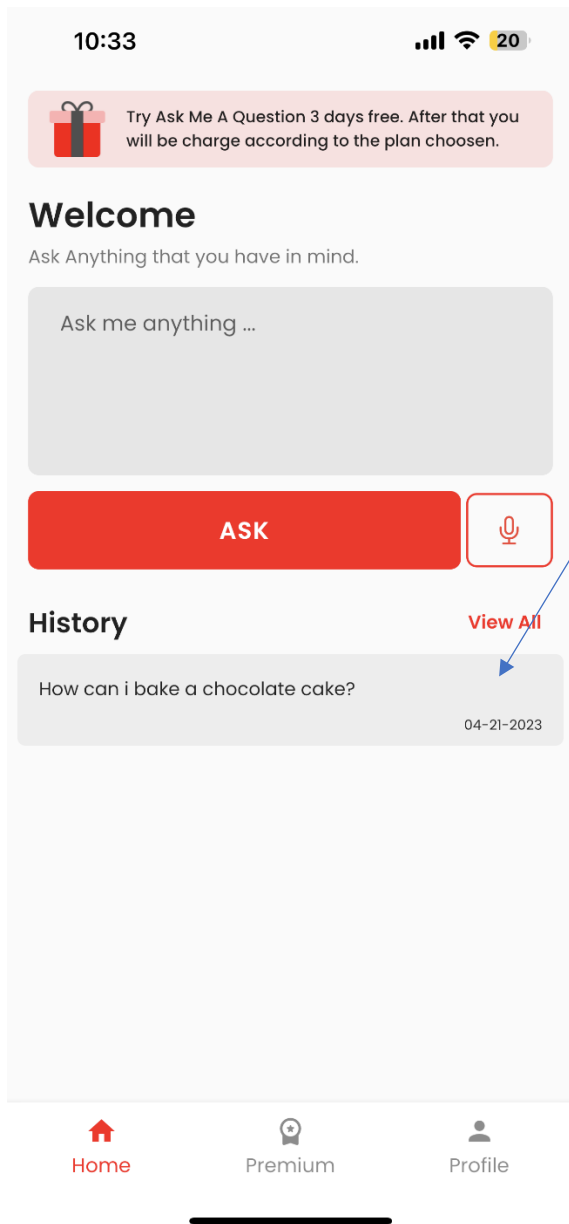

8. Once the cakes are cool, you can frost them with your favorite frosting and enjoy your delicious chocolate cake!

# History Results

History results shows in main screen

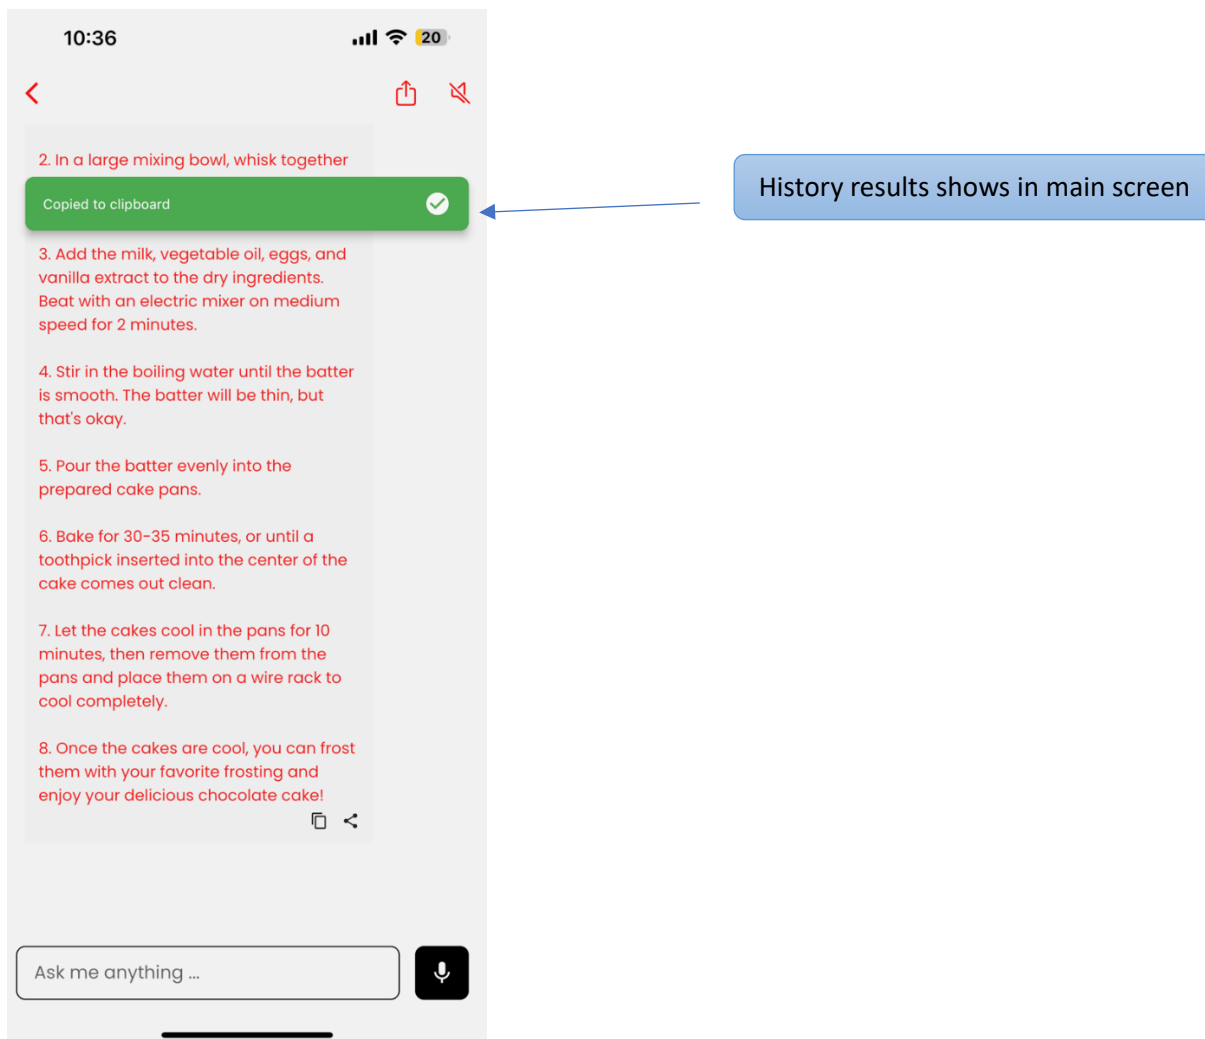

## How to copy searched result

To copy a searched result, you can follow these steps:

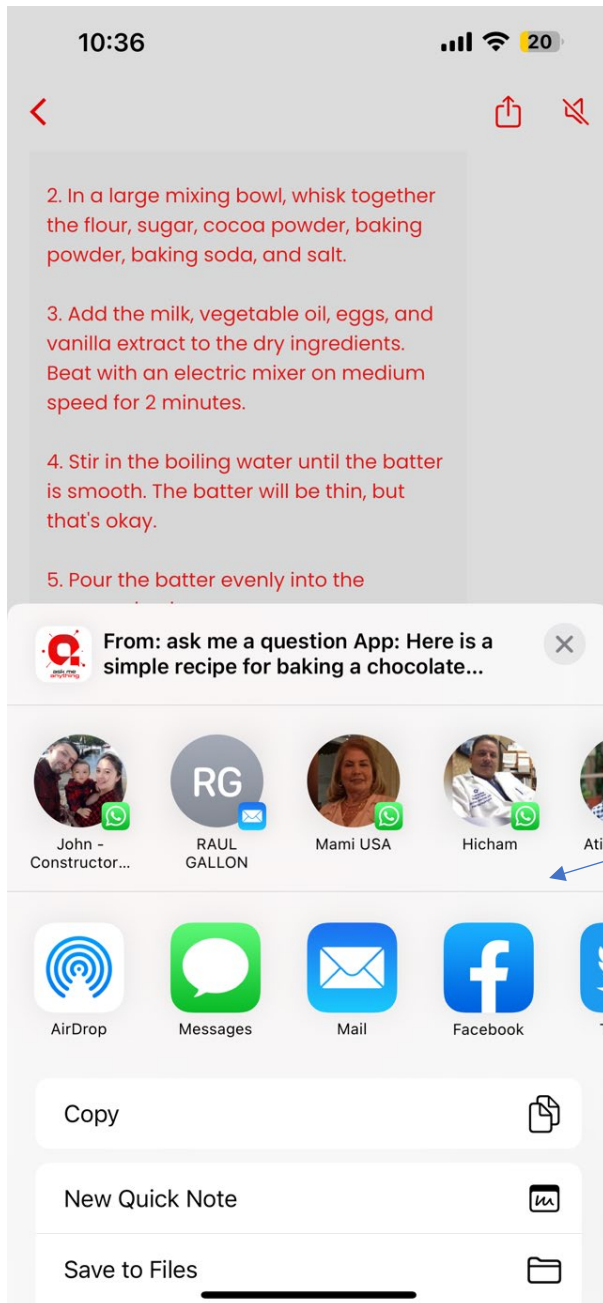

1. Select the text you want to copy by clicking and dragging your mouse over it.
2. Right-click on the selected text and choose "Copy" or press "Ctrl+C" on your keyboard.
3. Open a text editor or a document where you want to paste the copied text.
4. Right-click in the text editor or document and choose "Paste" or press "Ctrl+V" on your keyboard.

The copied text should now appear in the text editor or document. Keep in mind that some websites may have restrictions on copying their content, so make sure you have the proper permissions to do so.

## Share results of your search via different social media or email

1. Select the search result you want to share and copy the URL from your browser's address bar.
2. Open the social media platform or email service you want to use to share the result.
3. Create a new post or email and paste the copied URL into the message field.
4. You can add any additional text or context to your post or email and then click the share or send button to post it.
