ORGANIC EXTRA VIRGIN OLIVE OIL

BAKE & TANGO Organic Extra Virgin Olive Oil has strong aroma of tomato leaf and fresh herbs with green, grassy notes. This single-varietal olive oil is full of tomato flavor with a luscious buttery texture, and a bright fruity, harmonious finish. A medium intensity oil.

It is obtained only from olives collected at the peak of their development and is collected within 6 hours to produce the highest quality olive oil and immediately squeezed by cold pressing without any heat treatment.

Our Organic Extra Virgin Olive Oil can be used for dipping with breads; marinating; frying or sautéing meats, fish and vegetables; separating pasta; or as a salad or pizza dough ingredient. It has no trans fat and is Kosher.

EXTRA VIRGIN OLIVE OIL

BAKE & TANGO Extra Virgin Olive Oil is a fundamental ingredient for every day cooking as it enhances the taste of both simple and elaborated recipes. Coming from the World famous fields of Ayvalik, it is a must in any kitchen and a classic at any table!

Situated in the lush Aegean climate, we are proud to continue the tradition of harvesting the fruits of these magnificent trees, while being in harmony with nature. We harvest the olive fruits in the most suitable period and cold press them the same day to obtain highest quality. We are dedicated to adding health to your life and elevating your taste buds with the unique and delicious taste of our olive oils.

You can use it in all foods cooked and eaten raw. In cooked meals, you can benefit from the nutritional values and sensory properties of our product by adding less at the beginning, and adding more close to cooking and after cooking.

GRAPSEED OIL

All Natural **BAKE & TANGO** Grapeseed Oil is a perfect choice for those who are seeking a healthy alternative to their everyday cooking. It is a top quality oil that is extracted from the finest Italian grape seeds.

As one of the richest natural sources of linoleic acid, Grapeseed oil can do wonders when it comes to fighting heart disease and bad cholesterol. Linoleic acid is a member of the polyunsaturated fatty acid family. These fatty acids tend to blend with cholesterol in the blood and transform it into something the body knows how to get rid of. Grapeseed oil can also be used in skin products, aromatherapy and cosmetics.

AVOCADO OIL

BAKE & TANGO Avocado Oil is a little treasure that provides many health benefits. It is rich in oleic acid, it reduces cholesterol and improves heart health. It improves skin and enhances wound healing. Avocado oil is also used for skin peeling such as eczema, stretch marks and cracks.

Its mild taste and high smoke point make it a popular cooking oil, but you can also consume it raw. Avocado oil is cold-pressed and it retains some of the flavor and color of the fruit, leaving it greenish in color.

BAKE & TANGO Avocado Oil can now be enjoyed by consumers in the United States, Australia and Japan. Packaged in dark glass bottle, the avocado oil delivers a well-rounded but subtle taste, making it the perfect partner for enhancing the flavour of almost any kitchen creation.

CANOLA OIL & EXTRA VIRGIN OLIVE OIL

BAKE & TANGO Canola & Extra Virgin Olive Oil is such a versatile blend to have in your kitchen! The unique benefits of canola oil combined with the taste of carefully selected extra virgin olive oil to produce a quality blend with a tasteful profile. It is perfect for use at all temperatures.

Budget-friendly way to cook, this blend of Canola and Extra Virgin Olive Oil uses a base of subtle canola with a shot of flavorful and healthy olive oil. The result is much milder oil without that sometimes overwhelming intensity of olive oil.

It's a stable oil with a high smoke point. Great replacement for butter, shortenings, and other vegetable oils. Use it for cooking and grilling, but also a scullent foundation for dressings and sauces.

SUNDRIED TOMATOES

Tomatoes simply taste best when they are at the peak of ripeness in summer. Juicy and, you know, full of tomato flavor – unlike their siblings from the winter season, which taste watery and bland. Sun-dried tomatoes are a great way to preserve tasty summer tomatoes. After drying, they can be used any time of the year and will still taste great.

Our Sun-dried tomatoes are cleaned, sliced and left out in the sun to dry, just like the name implies. They are completely dry, so they can be stored at room temperature pretty much infinitely. They are supplied readt-to-eat in vacuum bags, trays or in jars with oil.

SEMI DRIED TOMATOES

The semi dried tomatoes are more juicy and lighter in color. Slow roasting takes place in highest technology ovens for 6-7 hours with low temperatures. After oven drying, tomatoes are frozen without any additives. They are stored in cold storage and also shipped IQF.

IQF Semi dried tomatoes after defrost preserve their taste in flavored oil with herbs up to 60 days without any preservatives. Semi dried tomatoes are available in halves, segments and diced. They can be supplied plain or marinated with herbs and oil.
