

QUARTET USA INC.
SPECIALTY FOOD IMPORTERS
Company Profile

Who We Are

We are Quartet, a global food and beverage importer and manufacturer. With offices and warehouses in the **NJ-USA, Toronto-Canada, Tokyo-Japan, and Izmir-Türkiye**, we operate as a highly specialized international team - agile, efficient, and deeply focused on delivering exceptional results for our clients.

What We Do

At Quartet, our passion is bringing high-quality, authentic, and specialty food products to markets around the world.

- We import and manufacture a wide range of pantry staples, including **premium olive oil, avocado oil, coconut oil, honeycomb, and other specialty oils**. Our portfolio extends to snacks, other oils, baked goods, waffle bites, spreads, honey, dried fruits, canned seafood, and condiments.
- We manage our own brands - such as **Bake & Tango, Sun Q, Quartini, Prevezze, and Montolivo** and also continue supporting private label production for retailers, wholesalers, and distributors.
- We source and contract manufacture across a global network of facilities in **Italy, Spain, Poland, Turkey, Sri Lanka, Thailand, Vietnam, and India**, ensuring competitive pricing and consistent quality.
- In the USA, we operate a distribution warehouse in New Jersey, strategically positioned to serve both national supermarket chains and regional wholesalers with reliable logistics and LTL services.

How We Work

Our strength lies in being small, flexible, and international. Each office works closely with local partners and markets, while we collaborate globally to streamline supply chains and deliver value to customers. This structure allows us to:

- Move quickly in response to market trends and customer needs.
- Build long-term relationships with both suppliers and retailers.
- Maintain direct oversight of quality and compliance at every stage.

Our Global Presence

- **Quartet USA** – Headquarters & Distribution, New Jersey
- **Quartet Canada** – Serving North American retail & wholesale partners, Toronto
- **Quartet Japan** – Connecting Asian markets with global supply, Tokyo
- **Quartet Global A. Kuartet Turkey** – Strategic hub for Mediterranean sourcing and export, Izmir

We continue to grow by expanding our brand portfolio, strengthening our private label partnerships, and exploring new categories in specialty foods. Our mission is simple: to deliver better food, better value, and better service - globally.
