

2021 Jordan Fall Festival

Arts & Crafts/Merchants Show Application

The Jordan Fall Festival has two separate tents for show booths. One tent contains Arts & Crafts and one tent contains Merchants. These tents are coordinated by different volunteers, so it is important to ensure you make note of the correct contact supplied in this application. This is a juried show. This means that all products go through a juried selection process by a panel each year. "Arts & Crafts" means "one of a kind", limited editions and unique items. Merchants means buy/sell, manufactured or imported work.

Submission of your application and jury fee is not a guarantee of acceptance into the 2021 festival. If you are not selected your fee will be returned.
