

## We Have A Winner!

The Village of Jordan Veterans Memorial Pool had its Duck Race. An armada of 94 ducks raced across the pool to be the first duck over the finish line and capture the prize. Leon Phillips' duck came from behind to claim the victory in front of a cheering crowd watching from the sidelines. The Duck Race event brought in close to \$450.00 to support the ongoing efforts to bring a place for friends and family to cool off during the HOT days of summer. The pool community would like to thank everyone that competed in this year's race by sponsoring a duck. Watch for next years opportunity to get your duck in the race.

And as the pool season ends, it is our hope that all our visitors had buckets full of fun.
