

Cycle the Erie Canal Bike Tour | July 13, 2021

Neither the HUMIDITY or POURING RAIN could stop these bikers!

The Village of Jordan welcomed the bike riders from the Cycle the Erie Canal Bike Tour. It was a very rainy morning for the tour's weather warriors of about 300 riders to pass through Jordan.

A wet, but smiling group began to pass through our village around 8:00 am. Following the mandated Covid protocols, the village was able to offer coffee and treats from Ernest's Clinton Street Café, pizza from Bob's Towpath Pizza, snacks, and entertainment down at the Lock Tender's House, and welcoming faces from the ladies, Cindy and Beth at our village offices. We shared wonderful conversations, laughs, and smiles with our biking guests as close as Rochester and as far away as a rider from Hawaii!

A great time was had by all. And we hear those bikers are already looking forward to next year's ride.

Stop by and support Ernest (Clinton Café) and Bob (Towpath Pizza) for showing our guests what a great village we have!
