Village of Jordan Newsletter

Spring / Summer 2022

From the Mayor's Desk

You may have noticed some different faces in the village office. First, I would like to welcome Clerk/Treasurer, Stephanie Powers. Clerk Powers has been with us since January and is finding herself right at home and has been a huge asset to the village. Second, I would like to welcome Dep. Clerk/Treasurer, Redonna Geelan. Redonna has been with us since September and has been a tremendous addition to our village office staff. Please take a moment to stop in and say hello! I would like to thank former Clerk, Cindy Meixner and former Dep. Clerk, Beth Flynn for their many years of service to the village!

I would also like to take this time to give a heartfelt thanks to Doug Milton for his 45 years of selfless and dedicated service to the Village of Jordan and the community as Fire Chief. Thank you for making the community a better/safer place to live! With that said, congratulations to Jeremy Chilson on becoming the new Fire Chief!

I hope everyone has an enjoyable and safe Spring and Summer!

-Mayor Brim

Upcoming Events

Now Hiring

The Village of Jordan is now accepting applications for the following positions:

- A temporary / seasonal DPW Laborer from June - September.
- Certified Lifeguards for work at the Jordan Pool.

Applications are available at the village office.

Where's the "Kissing Bridge"?

As many of you have seen or heard, the "Kissing Bridge" has been removed from the Erie Canal Park. The bridge was hoisted from its spot over the Skaneateles Creek back in September for a much needed facelift. The bridge will be sandblasted and painted, along with replacement deck boards prior to being placed back over the creek. It is anticipated that the bridge will be back in its spot by early summer! Stay tuned for information about a "Re-opening" ceremony!
