AUDIENCE

Gary Switzer – Resident – Hamilton Rd	Duane Milton – Resident – Hamilton Rd
Tom Brennan – Representing - St. Patrick's Church	Ken Bush Jr – 13 th Legislator - Resident
Gunnard Gustafson – Resident – Boy Scout	

Gary Switzer – Resident came to the Board with a complaint about vehicles consistently speeding down Hamilton Rd. Mr. Switzer can look both ways prior to pulling out of his driveway and there are no cars in sight, once he pulls out, they are right on his bumper. Mr. Switzer has brought his concern to the State Troopers as well since it is technically beyond Village limits. Mr. Switzer will also bring his concerns to the Town of Elbridge as well. Officer Healy suggested placing our speed sign on Hamilton Rd to obtain data and also speak with the State Troopers.

Duane Milton – Resident came to the Board with a complaint about the water on Hamilton St being turned off due to a new tap at the reservoir a couple of weeks ago. Mr. Milton stated that this was the third time water had been shut off (twice without notice) and debris has gotten into his boiler each time. Mr. Milton has paid for the first two boiler system flushes and requested that the Village reimburse him for the third flush due to our Water Dept stating that is was their mistake. Mr. Switzer also mentioned that he had an issue with this water heater as well. Mr. Milton requested reimbursement of \$398.00, the amount it costs to have his boiler system flushed out. Mr. Milton also expressed frustration regarding RB Robinson Construction not having up signage up while paving Brutus Rd, he was trying to go through with his tractor.

Tom Brennan – Representing St Patrick's Church came to the Board with a request to combine the three sewer bills they received for the Church, Rectory, and Cemetery stating that they don't use more than a one family home. Fred DiRisio stated the reason there are three separate bills is due to them having three separate laterals. Mayor Brim said that he would look over the bills and will reach out to Mr. Brennan to discuss it further.
