Individual Competition Points (Maximum 6 Points per Category)

Churches earn points based on how their contestants place in each individual competition category: **1st Place = 3 points, 2nd Place = 2 points, 3rd Place = 1 point**

Points earned by contestants from the same church are combined within that category. **A church can earn a maximum of 6 points per category.**

***Example:** If contestants from the same church place **1st, 2nd, and 3rd** in a category, that church would earn **3 + 2 + 1 = 6 points**, which is the maximum available for that category.*

Combined Church Adjustments - Churches may combine with another to meet team requirements (Choir, Bible Bowl, Tic-Tac-Toe, etc.) Each church represented on the combined team will be awarded the same points as if they completed separately.

***Example - Church A & B** combine to participate in choir, winning second place.
Church A would receive five participation points and second place individual points.
Church B would receive the same as **Church A** did. A dual awarding of points exists.*

All points are designed to reward preparation, performance, and achievement in competition.
