

Kitting & Assembly

Cenla Bolts & Supply offers quality and versatile kitting, packaging, and product assembly services to simplify the way you manage your bill of materials and to meet your production or maintenance needs.

Our custom kits are the best fit for you!

We package our products and kits in a variety of shapes, types, and sizes to fit your needs. Some of our materials include boxes, bags, totes, pallets, and reusable bins. We offer various packaging and kitting quantity options, as well as customer specific labeling.

**Big or small?
We package it all!**

We manage all types of inventory from raw parts, fasteners, and customer specific items to the light assembly of fasteners and customer owned inventory.
