

FINISHING WELL WORKSHOP UPDATE

We at Compass Urban and Antioch are very excited about your participation. To ensure that you have the best possible experience at this event, please consider the following:

- Plan to arrive around 2:30 pm so that you can go through the check-in process, visit our sponsor tables (State Farm, AARP, Primerica, Compass Florida, Compass Urban) and also view the Compass 1 minute videos that will be showing.
- If you registered (or were registered by someone else online), you do not need to print out and bring your ticket. Your name badge will also be preprinted.
- A Program/Workbook and pen will be provided when you arrive. This will include a Financial Life/Estate Organizer and Retirement Resources.
- We currently have 98 registered participants and anticipate that people will show up that have not registered. We would like you to all sit together so please seat yourself in the two center seating areas and towards the front.
- We will start promptly at 3:00 pm. The first 15 minutes of the program are very important and set the tone for the rest of the day.
- After the first hour, a 10 minute break will be provided.
- Howard Dayton, Founder and CEO of Compass Finances God's Way, has recorded a special video for this event.

We are praying that the topics covered, workbook sheets, and sponsor engagements will be of great benefit to you, regardless of your life stage or retirement stage. And we also pray that you will gain a greater understanding on how to finish from a worldly and eternal perspective.

I can't wait to see you all this Saturday.

Love and blessings,

Ken Battles
