

Just Want to Praise You

by Maurette Clark Brown

I just want to praise you (forever, c'mon)
Forever and ever and ever (for all)
For all you've done, done for me (blessings and)
Blessings and glory and honor (they all)
They all belong to you
Thank you Jesus for blessing me!
(For blessing me, we've just come to)

I just want to praise you (forever and ever)
Forever and ever and ever (forever and ever)
For all you've done, done for me (put your hand on your chest and say for me, for me)
(Can nobody tell it, like you tell it)
Blessings and glory and honor (They all)
They all belong to you (belong to you Jesus)
Thank you Jesus for blessing me!

Just want to thank you (c'mon and clap your hands)
Forever and ever and ever (give God some praise up in here)
(We gonna praise him forever and ever and ever and ever and ever)
For all you've done for me (for everything that you've done for me)
(Everything that you've done for me, for me, for me, for me)
Blessings and glory and honor (you deserve all the glory, you deserve all the honour
Jesus)
They all belong to you (everything belongs to you, to you, to you, to you)
Thank you Jesus for blessing me! (so we say thank you, for blessing, for blessing)

Just want to thank you (we just wanna thank you Jesus)
Forever and ever and ever (we've got a right to thank you, we got a right to praise you)
For all you've done for me (we've got a right to bless you)
(Cause when we think about everything that you've done for us, some of us raise our
hands)
(Some of us clap our hands)
Blessings and glory and honor (some of us leap, some of us leap over)
(Cause you brought us a mighty long way)
They all belong to you (and everything belongs to you Jesus)
(Everything belongs to you)

Blessings and glory and honor (we've come to let the word know)
(That we're nothing without you)
They all belong to you (we've come to bless your name, we've come)
Blessings and glory and honor (to bless your name)

(Come on and help me lift God up high, he deserves it)
They all belong to you (come on and let's bless his name)
Blessings and glory and honor (come on and let's bless his name)
(We've come to give him glory, we've come to give him glory)
They all belong to you (we've come to give him glory)
Blessings and glory and honor (don't get tired yet, 'cause God doesn't get tired of you)
They all belong to you (can't you show him some glory, he deserves all the honour)

Blessings and glory and honor (Lord you made me to bless ya, you created me to bless ya)
They all belong to you (so I'm gonna add money to praise ya)
Blessings and glory and honor (I want to bless your holy name)
They all belong to you (I don't want to come not giving your name praise)
Blessings and glory and honor (why because he's worthy, why because he's holy)
They all belong to you (why because he's righteous, why because he's just God)
Blessings and glory and honor (we bless you, we bless you, we bless you)
They all belong to you (we praise you, we praise you, we praise you)
Blessings and glory and honor (we honour you, we honour you, we honour you)
They all belong to you (some of us bow down)
Blessings and glory and honor (we bless you, we bless you, we bless you)
They all belong to you (we bless you, we bless you, we bless you)
Blessings and glory and honor (Lord we praise you, Lord we give your name praise)
They all belong to you (get some glory out of our lives, get glory, get glory)
Thank you Jesus for blessing me! (Thank you Jesus for blessing, for blessing)
(For blessing me, hallelujah, thank you Jesus)
