

TX Gutter Solutions Warranties

TX Gutter Solutions (TXGS) offers two different Warranties depending on customers installation preference. The Gutter materials TXGS uses come with their own **50 Year** warranty. TXGS 15 year, and 1 year warranties are for Labor & Installation. TXGS does not warrant fascia, trim, or drip edge flashing if not installed by TXGS.

1. **15 Year warranty** – TXGS recommended installation. TXGS uses a stronger hanger than the standard gutter hanger.
2. **1 Year Warranty** – TXGS standard gutter hanger installation.

TXGS installers are trained, experienced, and our employees of TXGS. We do not use Contractors. Our installation process meets the highest standards in the industry. TXGS uses the highest quality materials in the business. TXGS stands behind every one of its products and services.

TXGS warranty starts from the date of original installation, and ends either 1 year, or 15 years after installation date. This depends on the installation method selected by the customer at the time of sale.

TXGS warranties only cover work originally completed by TXGS. If TXGS is contracted to do a repair to existing gutters, or cleaning. Those repairs, or cleaning would not be covered under our warranty.

TXGS will not be held responsible for any hardware, fixtures, electronics, or wiring that may be damaged during installation. Environment, and age cause deterioration TXGS recommends replacing, or removing fragile items prior to our arrival.
