THE GRIEFCARE PLACE

Where Hope and Healing Live

'Until Healing Comes' Support Groups

The GriefCare Place offers a progressive program of grief care through support groups provided without cost to the griever. It introduces those grieving the death of a loved one to the normal grieving/healing process in a sensitive and gentle way.

Grief 101: The Basics (formerly 'Until Healing Comes') - for adults who have experienced any death; provides foundational information and a safe place to begin grief support.

Grief 102: Integrating Loss - for those who have learned about grief and have completed their period of acute grieving. Changing the self perception that you have been labeled and your loss defines that label. Grieving the old self and embracing the new through grief work.

Support Groups with a Specific Focus

Widowed Women - for women of any age who have experienced the death of a spouse.

Widowed Men - for men of any age who have experienced the death of a spouse.

Bereaved Parents - for parents who have experienced the death of a child of any age.

After Suicide - for adults who have experienced the death of a loved one through a completed suicide.

HALO - Hope After Loss to Overdose - for adults dealing with the loss of a loved one due to drug overdose.

Other Adult Losses - for adults grieving the death of a parent, sibling, close friend or relative other than spouse or child

Coffee and Conversation - (NOT for new grievers)
