## 'Until Healing Comes' Support Groups

The GriefCare Place offers a progressive program of grief care through support groups provided without cost to the griever. It introduces those grieving the death of a loved one to the normal grieving/healing process in a sensitive and gentle way.

**Grief 101: The Basics** (formerly 'Until Healing Comes') - for adults who have experienced any death; provides foundational information and a safe place to begin grief support.

**Grief 102: Achieving Healing** - For those who have learned about grief and have completed their period of acute grieving (typically in their second year of grief). Continues foundational information and a safe place to continue applied grief work with a focus on reaching healing. NOTE: Grief 101: The Basics is a prerequisite for this group.

### Support Groups with a Specific Focus

**Widowed Women** - for women of any age who have experienced the death of a spouse.

**Widowed Men** - for men of any age who have experienced the death of a spouse.
