THE GRIEFCARE PLACE

Where Hope and Healing Live

'Until Healing Comes' Support Groups

The GriefCare Place offers a progressive program of grief care through support groups provided without cost to the griever. It introduces those grieving the death of a loved one to the normal grieving/healing process in a sensitive and gentle way.

Until Healing Comes - for adults who have experienced any death; provides foundational information about normal, natural, necessary grief and a safe place to begin grief support.

Passport to Healing - For those who have learned about grief and have completed their period of acute grieving (typically in their second year of grief). Continues foundational information and a safe place to continue applied grief work with a focus on reaching healing.
