THE GRIEFCARE PLACE

Where Hope and Healing Live

'Until Healing Comes' Support Groups

The GriefCare Place offers a progressive program of grief care through support groups provided without cost to the griever. It introduces those grieving the death of a loved one to the normal grieving/healing process in a sensitive and gentle way.

Until Healing Comes - for adults who have experienced any death;; provides foundational information about normal, natural grief and a safe, non-judgmental place to begin grief support with others who understand.

Passport to Healing - for those who have learned about grief and have completed their period of acute grieving (typically in their second year of grief). Provides a safe place to continue applied grief work with a focus on reaching healing.

Support Groups with a Specific Focus

Widowed Women - for women of any age who have experienced the death of a spouse.

Widowed Men - for men of any age who have experienced the death of a spouse.

Bereaved Parents - for parents who have experienced the death of a child of any age.

After Suicide - for adults who have experienced the death of a loved one through a completed suicide.

HALO - Hope After Loss to Overdose - for adults dealing with the loss of a loved one due to drug overdose.

Other Adult Losses - for adults grieving the death of a parent, sibling, close friend or relative other than spouse or child
