# THE GRIEFCARE PLACE

*Where Hope and Healing Live*

## ‘Until Healing Comes’ Support Groups

The GriefCare Place offers a progressive program of grief care through support groups provided without cost to the griever. It introduces those grieving the death of a loved one to the normal grieving/healing process in a sensitive and gentle way.

**Until Healing Comes** - for adults who have experienced any death; provides foundational information about normal, natural grief and is a safe, non-judgmental place to begin grief support with others who understand.

**Passport to Healing** - For those who have learned about grief and have completed their period of acute grieving (typically in their second year of grief). Provides a safe place to continue applied grief work with a focus on reaching healing.

### Support Groups with a Specific Focus

**Widowed Women** - for women of any age who have experienced the death of a spouse.

**Widowed Men** - for men of any age who have experienced the death of a spouse.

**Bereaved Parents** - for parents who have experienced the death of a child of any age.

**After Suicide** - for adults who have experienced the death of a loved one through a completed suicide.

**Other Adult Losses** - for adults grieving the death of a parent, sibling, close friend or relative other than spouse or child

**In This Together** - for children 6 to 12 years of age; who are gently led in understanding death and grief. Led by a professional clinician.
