

HOPI THREE MESAS, INC.

Consent to Photography, Audio, and Video Recording

Hopi Three Mesas, Inc. will be taking photographs and may record audio and video footage throughout the program. This material is used primarily for reporting and presentation purposes. While parents and participants are happy to see pictures of their children, or themselves, displayed in print, some have personal reasons for wishing to exclude their minor child from activities that will be photographed or recorded. To honor the wishes of any individual requesting exclusion from the program's photographs, audio or video recording, please complete the Consent to Photography, Audio and Video recording below. Please be aware that Hopi Three Mesas, Inc. may send photos to other organizations for youth related purposes. Hopi Three Mesas, Inc. cannot control, and is not responsible for, any photographs, or audio-visual material taken by other program participants for their personal use.

Note: Published photographs **will not** include a participant's personal information such as a telephone number, email address, mailing address or the names of the participant's family members.
