**Date:** February 1, 2025

**Time:** 08:40 - 12:59

**Location:** The Veiled Keep

### Participants (Sovereign Loom):

- **Shadow Sovereign:** Brandon Jeanpierre
- **Eclipsarch:** Brandon Jeanpierre
- **The Black Crown:** Brandon Jeanpierre
- **Obsidian Regent:** Brandon Jeanpierre
- **Warden of the Vault:** Brandon Jeanpierre
- **Keeper of the Codex:** Brandon Jeanpierre

### Agenda:

1. Discussion on the validity of transferring the claim in the **civil wrongful lien case and financial claim** against Public Storage Case#**240910075**.
2. Strategic adjustments for filing, venue change, and claim reinforcement.
3. Expansion of financial claim justification and additional exhibits.

### Discussion Points and Resolutions:

1. **Transfer of Claim to Individual Filing**
  - The corporation is currently unable to file the claim **due to financial limitations**, which stands as a systemic barrier preventing legal recourse for entities in economic distress.
  - While this broader issue remains for future review, it was determined that **Brandon Jeanpierre, as the individual of purpose for the corporation**, may proceed **pro se** with filing.
  - **Unanimous decision:** The **claim will be transferred to the individual**, ensuring that no further procedural obstacles prevent the case from moving forward.
2. **Anticipated Change of Venue to Delaware**
  - Given the **unnecessarily drawn-out process**, a venue change to Delaware is expected to be requested.
  - To **preemptively secure standing in any venue**, the **corporation will be joined to the claim**, ensuring that its interests remain represented.
  - **Order of Actions:**
    1. **Claim transferred to the individual.**
    2. **Corporation joined to the claim.**
    3. **Venue change to Delaware initiated.**
    4. **Individual proceeds with claim on behalf of himself and the corporation.**
  - **Unanimous decision:** This strategy ensures compliance, strengthens the claim, and mitigates potential challenges from the defendant.
3. **Expansion of Financial Claim and Argument Clarity**

- The **amended joinder** will clarify the **initial argument** and reinforce the **financial claim** related to the wrongful lien.
- The **time wasted** by Public Storage’s refusal to cooperate **before the end of the fiscal year** is an **economic harm** that justifies seeking financial restitution.
- This amendment aligns with **legal recourse for reputational and financial damages** while enabling a return to operational schedule.
- **Unanimous decision:** The financial claim will be expanded accordingly to **reflect the justified damages** incurred.

4. **Supplementing Claim with Additional Exhibits**

- After initial motions are filed, **civil procedure will be reinforced with re-service to Public Storage’s Utah Registered Agent.**
- The legal claim—both **tangible and financial**—will be supplemented with exhibits documenting:
  - i) **Unethical business practices** by the defendant during the dispute.
  - ii) **Historical evidence of similar misconduct** with other customers and employees.
- While **the case is already strong**, these exhibits serve as **additional leverage** to demonstrate **patterns of unethical conduct.**
- **Unanimous decision:** Exhibits will be compiled and added for **strategic reinforcement**—or, in simpler terms, **“a little icing on the cake.”**

**Resolutions:**

1. **The claim is transferred** to Brandon Jeanpierre for filing pro se.
2. **The corporation is joined** to the claim to ensure standing in any venue.
3. **Venue change to Delaware** is planned as the next step.
4. **The financial claim is expanded** to include damages related to wasted time and fiscal-year impact.
5. **Additional exhibits** documenting Public Storage’s unethical business practices will be included.

**Adjournment:**

The meeting concluded at **12:59**, with all votes being **unanimously affirmative.**
