THE NOVA STORY

What do a scientist, a finance guy, and a hotel owner have in common?
Welcome to Nova Hotel.

This isn't a tale of lifelong dreams or years of meticulous planning. Nope—it all started with a chaotic family dinner and a brother-in-law already deep in the New York hotel scene. Conveniently, he had two sisters who, eventually, tied the knot (not to each other—don't worry). One married a scientist, the other, a finance bro. Just like that, two more brothers-in-law joined the mix.

A bond was formed—part family, part panic—and from it, Nova Hotel was born.

Our pride and joy? Vantage Rooftop: where sweeping Manhattan views might just spark a little envy, golden-hour sunsets are made for Instagram, and every cocktail tells a story—crafted to honor Brooklyn's icons.

You're welcome.
