

MAGIC MAIDS

Commercial & Residential Cleaning Company

WHY US?

We are fully licensed, bonded, and insured. We are also a local, woman-owned business operating throughout the Las Vegas area. We are the cleaner choice offering options and quality control other companies do not.

TURNKEY READY

We offer TurnKey ready property restoration and cleaning where we restore and clean your residential or commercial space to where the only thing left to do is to turn the key and open the door!

MOVE-IN/OUT

Get as much of your security deposit back with this comprehensive cleaning service. We do a deep clean paying special attention to where it matters for property managers. If you are moving into a new place, this is an excellent way of making the place move-in ready.

CARPET CLEANING

Our carpet cleaning service is great for general maintenance of the carpet, move-ins & move-outs, area rug maintenance, and after an event. We thoroughly clean the carpets giving extra care to spot stains and high traffic areas to restore the carpeting to the best condition possible. We use a Bissell unit with commercial soap and warm water so we are also able to service high-rise apartments and condominiums!

JUNK HAUL

Our trash removal service is great for after a property undergoes construction, foreclosure, eviction, or abandonment. We empty the contents of the house or apartment, remove the trash from the property.

DISINFECTING

We provide EPA approved disinfection that is 99.9% effective at eliminating harmful bacterium and viruses to keep you and your close ones safe. This service is perfect for places that may have been contaminated or even may be potentially contaminated.
