Each passing year presents the opportunity to pause and reflect. Once again I'm fortunate to look back and share with you all that we have achieved together.

I'm overwhelmed and so grateful for the love you have shown Mouna Dreams through donations, volunteering, words of encouragement and support in the past year.

You made a difference for Camilla who is now able to learn English and follow her dreams of becoming a teacher and helping others. Because of you, Paul is so excited to start his first year of school.

I invite you to take a moment now to celebrate our success together. Every child impacted, by your generosity is just starting to tell story which you will forever be a part of. And we are so excited to watch these stories unfold.

We truly can not do this work without you.

Thank you
Liliane Bissec
Executive Director
