

2025 BANNER SPONSORSHIP OPPORTUNITY

The Nashville Taps & Tunes Series was a tremendous success and expanded from five planned shows to six in 2024 with crowds that exceeded expectations and projections.

In collaboration with Six Strings for Freedom, Nashville stars visit three California locations (Paso Robles, Clovis and Oakdale) with net ticket proceeds benefitting local non-profit organizations. Just over \$39,000 was dispersed to local groups from the 2024 shows.

Our partnership has been renewed for the 2025 season and we look forward to welcoming 5+ country concerts for the upcoming year.
