KITCHENS

Where Elegance & Beauty
Meet Quality & Affordability

STONE RIVER KITCHENS

Where Elegance & Beauty
Meet Quality & Affordability

- Wide range of high-quality cabinets from trusted brands.
- Over 30 years of design expertise combining form and function into a comfortable, satisfying & inviting space.
- Design services can extend to recommendations on finishes, such as countertops, tile, hardware and paint to match your style.
- Licensed professionals, fully insured and focused on quality and customer satisfaction.
- Commitment to sustainability and environmental responsibility.

Custom and Semi-Custom

From the initial consultation to the final touches, you can trust SRK to provide outstanding cabinetry for any space in your home. If it's time for a new kitchen, pantry, MBR closet or perhaps that basement bar and entertainment center SRK can make your vision come to life.

Selections for any Budget

Whatever the project, SRK can be trusted to work with you to deliver your dream space timely and within budget. We use the latest 3D design software to create cabinetry that will fit your space and your lifestyle.
