

Livewire Camps Payments Worksheet

Select which camp this payment is to be used for:

____ Youth Camp (4th-6th grade)

____ Teen Camp (7th-12th grade)

- 1. We've made it easy for you. Please use separate forms and checks for each camp to ensure a smooth and hassle-free payment process.
- 2. A church-issued check must be sent for the correct amount due for all registrants listed on this form. Please denote the amount applied per camper on the form below. Suppose the amounts listed only partially fulfill the payment obligation for registration. In that case, the card on file (used for deposit at the camper's registration before this form was sent) will be automatically charged seven days before camp. If payment cannot be collected and there is an outstanding balance, registration for the camper(s) will be voided, and all funds previously applied will be refunded.
