

Privacy Policy

AlliMedCare is dedicated to safeguarding student privacy and maintaining the confidentiality of student records.

- **Data Collection:** The institution collects only the information necessary for student admissions, enrollment, academic progress, and financial obligations. Information such as student name, contact details, grades, and financial aid status will be collected and stored securely.
- **Confidentiality:** Student records are confidential and will not be released to third parties without the written consent of the student, except where required by law (e.g., subpoenas, audits).
- **Access:** Students have the right to review their own academic and financial records. Requests for access should be made through the Student Services office, and the school will respond within 30 days.
