

## PRODUCT-DETAILS

# BER96-4

## BER96-4 Connection Set for Reversing Contactors

### Información General

|                            |                                                                                                                                                                                                                                                                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Tipo de producto extendido | BER96-4                                                                                                                                                                                                                                                                                                                                                                      |
| Código de producto         | 1SBN083911R1000                                                                                                                                                                                                                                                                                                                                                              |
| EAN                        | 3471523130951                                                                                                                                                                                                                                                                                                                                                                |
| Descripción corta          | BER96-4 Connection Set for Reversing Contactors                                                                                                                                                                                                                                                                                                                              |
| Descripción larga          | <p>BER96-4 is a connection set for reversing contactors used to easily connect the main poles of two 3-pole AF80..AF96, AFC80..AFC96 or AFS80..AFS96 contactors mounted side by side.</p> <p>The BER connection sets are made up of:</p> <ul style="list-style-type: none"> <li>• 1 upstream and 1 downstream connections</li> <li>• Insulated, solid copper bars</li> </ul> |

### Clasificación

|                            |                                  |
|----------------------------|----------------------------------|
| Cantidad mínima de pedido  | 1 piece                          |
| Código arancelario         | 85389099                         |
| Tipo de producto principal | Accessories for Block Contactors |
