INVEST! INVEST! INVEST! in real estate that will not lose value in tough times. **Here it is!** You cannot build provenance! Quality building that withstands the test and storms of time cannot be faked. This fine turn-of-the Century with foundations dating back to the 1840s, can be copied, but not reproduced. **This IS the genuine article! You cannot build age or authenticity.** Verified historic by the Land Trust for Tennessee. Located in the center of an area of deep historic significance and affluence, this fine, antique home is the symbol, its barn the icon got Forest Home! Constructed of materials from the land where it stands. This home will still be standing long after modern pretenders have crumbled and collapsed back to the detritus and sawdust glued together - from whence they came. SF contains unheated 2nd floor.
