POINTS OF INTEREST

Pewaukee Lake

The largest lake in Waukesha County provides some of the best fishing in southeast Wisconsin, including the top spot in the state to land 50-plus inch Muskies. Access the lake by three public boat launches for fishing, sailing, waterskiing, canoeing and powerboating. Local rentals for paddleboards, kayaks and boats available.

Lapham Peak

The Kettle Moraine and Lapham Peak were formed 10,000 years ago when a glacier covered much of Wisconsin. Lapham Peak's glaciated topography provides excellent hiking, backpacking and cross-country skiing on lighted trails.
