Capeview
building products

Hardware can often be an afterthought when it comes to windows and doors—but it shouldn't be!

Our range of hardware is designed to elevate the aesthetics and clean lines of our products, combining contemporary design with unmatched functionality and durability.

Their ergonomic designs ensure that everyone can enjoy seamless use of our windows and doors regardless of age.

Whether renovating your home, building from the ground up, or bringing a unique vision to life as a designer, our versatile hardware options provide the perfect finishing touch to your windows and doors.

Bain Builders

Important Note: The smart lock includes a keypad, three IC cards and two keys for the manual override function. Batteries are not included. Smartphone connectivity is possible with the purchase of additional hardware. A smartphone App is necessary to configure and operate the lock via Bluetooth. Additional purchase of a Wi-Fi gateway is needed to access the smart lock remotely and through other smart devices.

Offset handles are not screenable.
