# ELECTRONIC PROCURE-TO-PAY (P2P)/ ORDER-TO-CASH (O2C)... MORE THAN JUST ELECTRONIC INVOICES.

## INVOICES ARE THE 'LAST MILE' , NOT THE BEGINNING

Successful automation of your back office processes begins with analyzing and aligning your manual processes. This can be the most challenging part of an electronic P2P/O2C project, but it is well worth the effort.

Electronic P2P/O2C e-commerce offers many benefits:

- Reduced billing and payment errors
- Control of off-contract spending
- Improved cash flow
- Fraud prevention
- Regulatory compliance

**TRIGO VENTURES, LLC WILL GUIDE YOU THROUGH THE  
PROCESS QUICKLY AND EFFICIENTLY.**
