

# Employment Verifications

The ability to verify past employment provides direct insight into a candidate's work history, skillset and reliability.

## Speed & Accuracy

The ScreeningCanada platform will collect and analyze a candidate's employment history. Our team works directly with an organization's HR or Payroll Department to confirm the candidate's resume claims, providing verified results in industry leading turnaround times.

## Automated Results Adjudication

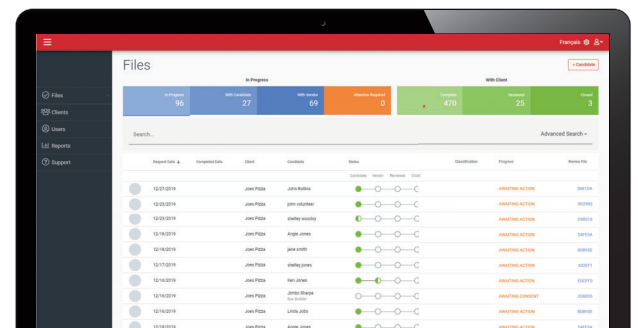

Never miss out on the best talent. Set your search criteria to automatically adjudicate results and process candidates faster with exclusive ScreeningCanada functionality.

## Complete the Picture

Employment Verifications become increasingly effective when combined with an eReference and/or Credit Reliability Checks. When paired and cross-referenced with other searches, a complete picture of a candidate's experience becomes more visible.

## Information Verified

Employment Verifications help to identify gaps and inconsistencies, directly with a candidate's previous employer, by verifying dates of employment position(s) held, reason for leaving and eligibility for rehire.
