

## SPECIAL CHRISTMAS CARD OFFER FOR YOU

Now's the time to pick up your Christmas cards as we approach the holiday season. I know that the Canada Post strike is playing havoc with everyone's mailing plans this year but if you're like me you like to have cards on hand to deliver to loved ones or bring along to thank the hosts of a community party.

You can see three different collections on my website under [HOLIDAY/ CHRISTMAS CARDS](#). Each package has three different cards with the packs retailing for \$15 plus tax. **But you won't be paying that price.**

For Newsletter Subscribers only, those packs will be **50% off** between now and the end of the year. That's only \$7.50 for a pack of three cards. Get them soon because supplies are limited.

Unfortunately, with the postal strike you'll have to drop by my studio to pick them up. But on the bright side it will give me a chance to see you in person. Just [send me an email](#) telling me what you'd like and I'll set them aside for you and arrange a time to meet up.

## A SNEAK PEEK

Here's a look at what's on my easel at the moment. At this point I never know where it will end up, but so far this one is giving me the right vibes.

Keep an eye on my social media accounts and you'll see the finished piece.
