

**Ontario Nova Scotia Duck Tolling Retriever Club
Versatility Certificate Program**

The program is open to all members of the Ontario Nova Scotia Duck Tolling Retriever Club in good standing.

Versatility Certificates can be earned on achievement in the following areas: Conformation, Obedience, Rally, Field, Flyball, Agility, Dock Diving, Tracking, Miscellaneous that includes, Therapy Work, service dogs and a CGN.

The program offers 3 levels of achievement.

The requirements for each level are:

Level Requirements	
OCV (Ontario Club Versatility)	A minimum of 5 points from at least 3 categories
OCVX (Ontario Club Versatility Excellent)	A minimum of 10 points from at least 4 categories
OCVCh (Ontario Club Versatility Champion)	A minimum of 15 points from at least 5 categories

A system of point values has been established based on the titles that can be earned in each of these areas (see Point Information below).

From each category only the point value that is highest will be used

I.e. If a CD and a CDX is earned, only the 3 points from CDX will be counted and will replace the 2 points from CD.

If both a JH and a WC is earned, only the 2 points from the JH will be counted

Certificates will only be awarded after the owner has submitted to the Club an application with photo copies of title certificates to support the dog's achievement. Certificates can be awarded retroactively and/or posthumously.

To apply, fill in the Application and mail with supporting documents to the address on application. Once received, the application will be reviewed . If all the criteria is met a certificates will be mailed out. Please DO NOT send originals as they will not be returned.

Categories	Title	Value
Conformation	Int Ch (International Champion)	1
