Club Forum; 2026 Year

Proposals to be put at December AGM:

Remain at New Continental Hotel

- Has many advantages
- Move to the Green Room
- Saving £360 for the year

Budget for 44 renewing members

- Budget to recruit 5 new members in the year.

Increase Members annual subscription to £45pa

- Increase of £5 over current year [no increase in previous year]

Resultant annual **loss** of **£246**

Perfectly manageable as we have more than sufficient reserve funds. [cash reserves at end of 2026 = **£2878**]

Continue to look for Marketing Opportunities

- Engage with a local marketing studio to explore opportunities to extend the reach of the Club profile
- Continue to encourage Members to play an active role in Club management & recruitment.
