WELCOME TO PLYMOUTH CITY PROBUS CLUB

An opportunity to meet with like-minded retired business professionals.

We are keen to attract recently retired senior businessmen and professionals to our Probus Club.

Coming up to retirement ?

Have you heard of Probus?

Probus is a social society for retired professional and business people. There are two clubs in Plymouth - the ladies' club and the men's club. We are writing this leaflet on behalf of the men's club.

We already have 60 + members but are always looking for newcomers .The club is an ideal way to get to know new people from a wide range of backgrounds in convivial surroundings.

Our main meetings are on the first Tuesday of every month starting at 10.30am in City Centre hotel. Members meet for coffee & socialising at 10.30 followed by Club business at 11.am then at about 11.15 our speaker for the meeting will talk for about 45 minutes, after which everyone is free to chat over a drink in the bar. Engaging Interesting speakers are important to us and have recently included an international opera singer, and a former Blue Peter presenter .

We also organise social events with partners, generally once a month, in different local venues as well as organised visits to places of interest and an annual long weekend away.

There is a small joining fee, together with an affordable annual subscription.

Those coming up to retirement are welcome to apply to join, so if you are interested please make contact via the website link below.
