LOCATION

Húsafell to Geysir

Let's hit the snow!

* HIGHLIGHT *

Glacier Ice Transport and Snowmobiling

ACCOMODATIONS

Hotel Geysir

DETAILS

Yesterday was all about ice, and today is all about hitting the snow. Together, we'll ride snowmobiles across a glacier to reach sights you simply can't access any other way. After departing Húsafell, we'll make our way toward Geysir, stopping at breathtaking viewpoints along the route. Lunch will offer an interesting twist, a greenhouse that produces fresh vegetables despite the cold outdoor temperatures.

DAY 4

DAY 5

60 MILES

LOCATION

Hella to Dyrhólaey

Water, water, everywhere!

*** HIGHLIGHT ***

Black Sand Beach

ACCOMODATIONS

Hotel Dyrhólaey

DETAILS

Today, we have a chance to witness some of nature's best work with water and sand. We will start the day with the Seljalandsfoss Waterfall. In the warmer weather, visitors can walk around the back side of this fall, but during the cold season, there will be icicle formations that glimmer and shine. As we travel on, we will see how Iceland transforms in winter into a magnificent ice formation surrounded by snow-covered cliffs. Saving the wild coast for last, witness a cold, black sand beach formed by volcanic activity and made primarily of basalt lava that cooled in the ocean waters. Powerful waves have broken down the lava into sand particles and pebbles.

After the beach, we will make our way to the hotel before dark in Dyrhólaey along the southern coast.

DAY 6

110 MILES

LOCATION

Dyrhólaey to Reykjavik

Return to the capital city.

*** HIGHLIGHT ***

Free time and dinner in Reykjavik

ACCOMODATIONS

Canopy by Hilton Reykjavik City Centre

DETAILS

It is our final day on the road, but the adventure isn't over yet! We'll drive along a beautiful route back to Reykjavik before turning over our Land Rover Defenders. From there, we will explore the city while experiencing all the food, atmosphere, and shops have to offer.

Nature enriches our lives and sense of connectedness; the beauty of Iceland takes this to the next level. Today will be filled with water boiling and bursting, running over ice, and freezing in place.
