Re: PID 122061 – MER Wayne & Fountain Intersection Improvement Award Letter

Dear Mr. Hitchcock:

On behalf of the Ohio Department of Transportation (ODOT) Office of Jobs & Commerce, I am pleased to inform you the above referenced project has been awarded **16%** of the eligible costs up to a maximum of **\$100,000**. This reimbursable grant will be for eligible construction costs.

Once your project has been awarded, please inform Adele Evans, ODOT Jobs & Commerce Regional Manager, of the **construction begin and end dates** as well as the **construction cost amount**. This information needs to be submitted within two weeks of the project award.

All funding reimbursement requests should be submitted to Adele by October 30, 2026. Should the City of Celina be unable to successfully execute the terms of the agreement please notify Adele in writing, and we will review any mitigating circumstances with you.

Congratulations on this ODOT Jobs & Commerce award. We look forward to working with you to support this important infrastructure improvement.

Sincerely,

Christina Wagner Schepis
Program Manager
Office of Jobs & Commerce
