COVID-19 PREVENTION AND CLASSROOM PRACTICE GUIDELINES As of Dec. 12, 2020

To all students and instructors at Panhandle Driving School classes located at 410 S Division Sandpoint, ID 83864. As review of Idaho Governor Little's Rebound Idaho Guidelines we reopened May 2020 with added practices for everyone's safety in place. Now that we have successfully complete our spring, summer and fall courses successfully we are planning to continue as scheduled into the winter and New Year with the same practices. Following the recommendations needed to safe practices and giving parents/students the opportunity to choose to take this class. We will continue with our sanitizing practices and implement new procedures to keep all individuals safe to the best of our abilities while in our classroom and vehicles. We will continue with our courses unless notified otherwise by the State of Idaho. We will adhere to the Stage guidelines of Rebound Idaho to carry us through as we are an educational setting we can remain teaching in person classes at SHS.

We aim to maintain a safe teaching environment for our instructors and students. We ask you to review the following guidelines and sign below. Should you have any questions or concerns, please feel free to contact us at any time.
